## Simply Instructions for Applying to Any Position (this was created by Dr. Abbie Salny )

**Step 1.** Submit your resume to [hr@pcmacnerds.com](mailto:hr@pcmacnerds.com) along with the attached test. We will acknowledge your submission only if completed correctly, and schedule you for stage 2. ( You will not be timed for the test, and will not be scored, however your efforts will be noted)

**Step 2.** A phone interview will last up to 35 minutes. You will either be asked to schedule stage 3 or will be contacted accordingly.

**Step 3.** At this stage you will go thru another phone interview with your potential supervisor that may take up to 2 hours. At the end of this stage you will either be asked to schedule the final stage or will be contacted of same accordingly.

**Step 4.** Congratulation your 1 step closer to becoming a member of the company. At this point you have been scheduled to come into the office meet your supervisor, team, and possibly our ceo and go thru some final paperwork that does include your final test. Expected time requirement is up to 5 hours. (Traveling expenses will be compensated)

1. **Bill climbs a two-mile hill at an uphill speed of two miles per hour, spends no time at the top, and immediately walks down at six miles per hour. What is his average speed for the up and down trips?**
2. **What is the number that is two more than one-tenth of one-fifth of one-tenth of 1,000?**
3. **Can you think of an American tree whose name contains all five vowels?**

4. Pat likes books but not magazines, she likes going to shows but not the ballet, and she likes movies but not pictures. By the same rules, will she like videos or tapes?

5. Six smart people can read 12 books in six hours. How many books can three of these smart people read in nine hours?

6. Begin with the number of legs on a spider, add the number of stars in the U.S. flag in 1935, divide by two and add the number of leaves that enables you to distinguish poison ivy. What do you have?

7. If seven chocolate bars and one bag of jelly beans cost \$0.36 and 10 bags of jelly beans and one chocolate bar cost \$0.15, how much is a chocolate bar?

8. Of the words listed below, one is the "odd man out." This difference has nothing to do with letters, vowels, consonants or syllables. Can you find the word? Grate Mitts Blame

9. In a county fair pie-eating contest, Joe ate three pies in 20 minutes. At the same speed, how long did it take to win the contest by eating twenty-one pies?

10. What is the 11-letter word that all smart people spell incorrectly?
